REport

by Jennifer Igou, RE

It's May, and already a quarter of the year has flown by. DMVR is off to a great start! Our Solo program has had two awesome events at Sandpiper, with almost 90 participants at the April event! Plan to come out to the Sandpiper event May 14th for the last Test 'n Tune of the year and May 15th for the autocross. Maybe we can set a new record for attendance! We are still in need for another lot to host Solo events, so if you have an idea, let Jon or Mike know.

Our club racing group held its first event of the season at MAM on April 23/24, where we had the largest turnout since MVRG was created. Plus, one of our very own DMVR members won the Spec Miata class both days. We had a great group of workers that turned out, and we always need more. Mark August 20/21 on your calendar now and plan to come out to play! This would be a great event for those of you who have never worked a club racing event to get started.

As Steve Johnson, SCCA President & CEO stated in the latest RE News, we are a club that is moving forward. We are trying new things, we are improving our processes, and we are making this club better for you! I would like to hear from all of you as to how we can continue to improve our club, so please send me your thoughts and ideas.

MARK YOUR CALENDARS!

Bloomin' & Zoomin'

April 23-24, 2005

April showers bring May flowers... and some zoomin' as well as bloomin' if you joined Missouri Valley Race Group (MVRG) for our Regional / National / IT Tour weekend at Mid-America Motorplex.

The road construction going to the track was still under way, and although the road was passable (depending on your vehicle), it was not the recommended right of passage for towing. But the alternative routes worked fine and were well marked, and to my knowledge none got lost.

And yes, Mother Nature had been doing her thing and rain had been falling for about 2 weeks prior to the event, ensuring that things were a pretty muddy mess if you got off track. But it wasn't falling from the sky that weekend, and while it was a little chilly, we counted our blessings. It was an improvement over last year.

We had a great turnout of officials and competitors for the weekend. Paddock Marshall Eric Salem and his crew did a fine job of juggling everyone in around the ponds. (How often is the gravel the preferred spot?)

The winners for the highest increase in worker turnout had to be the Tech tent and Hospitality. While the Tech crew had an even dozen sign up to work, the two new folks in Hospitality basically doubled the usual crew. Thank you to all the workers in all specialties for another great job. Keep recruiting gang, and tell them to bring friends.

Another "winner" was Diane Wright from Hospitality who took home the top door prize – a combination gas grill / cooler door donated by one of the competitors. Our thanks again to the driver for your generosity.

The DMVR drivers continued the tradition, hosting dinner Friday night in Miataville in the paddock. Sloppy joes, pasta salad and baked beans... and a nice warm trailer to get in out of the wind. It's a great start to the weekend fun and much appreciated by the participants. I hear that the barbecues may be firing up for August, so be sure to check it out.

DMVR had 16 drivers competing, some having a better weekend than others. Jarrod Igou, #59, pulled off 1st place honors in Spec Miata both days. Ken DeNault, #99, once again finished on top in Formula Mazda on Saturday, and took 2nd place on Sunday. Chuck Hemmingson was out in the T2 Subaru for the National on Sunday, finishing 1st in front of Dennis Aubuchon and Steven Burkett, both from St. Louis Region. Harlan Donaldson in the #5 Volkswagon took 1st place in ITB on Saturday head of #20 Tom Daly from LOL Region, and then finished 2nd on Sunday behind Tom.

Driving in IT again was Dave VandeBerg with the new (to him) #13 IT7 Mazda RX7. Look familiar? Different number, but it's the Silver Bullet previously driven by DMVR's Mike Trier. Dave started out slower on Saturday, testing the waters with the new car (a little different than driving the Formula Atlantic), but took the 1st place trophy in IT7 on Sunday.

Spec Miata continues to be the popular class, and the IT / SM group once again had top numbers with a field of 35 cars taking the course on Saturday and 31 on Sunday.

Race Chairs Marina Kraft and Jennifer Igou put together another great dinner and party on Saturday evening. Thanks also to the gang from Mid-America Motorplex for all their fine work, and to Les Wright for the musical entertainment.

We're back at Mid-America in August for another Regional/National/IT. Hope to see you all there!

Competition update ... from Dave Volante, Race Competition Director. A number of our DMVR drivers ran at the Heavenly Hazel Two For the Road double regional event at Heartland Park on April 2-3. It ended up being a more expensive weekend for some who went home with body damage and mechanical problems. Jarrod Igou, #59, finished 2nd in Spec Miata (SM) on Saturday, and broke after 6 laps on Sunday. Tom Kraft, #46, had exhaust problems on Saturday, and finished 2nd in SM on Sunday. Ray Yergler, #44, managed consistent 4th place finishes in SM both days. Bart Holden, #9, was the hard charger in SM on Sunday, finishing 7th (in front of yours truly). Kurtis Goertz, #8, got tangled in an incident at turn 8 at the beginning of Sunday's SM race, making it a short day for him. Stu Lehr, SM #45, and Jeff Brady, SM #12, managed clean weekends. Harlan Donaldson finished 3rd in ITB both days in the #5 VW. I ran in ITA as well as SM, and got 3rd both days in ITA (better than my 8th place in SM both days). Heh, I was consistent.

The Solo Slide

from Mike Slater

April 16-17 brought another combo weekend at Sandpiper Recreation Area with a Test N Tune on Saturday and our Regional Solo II points event on Sunday.

Saturday's weather didn't cooperate, but once we got through the chill and damp we were able to get in a lot of runs. Sunday's Solo II brought out 88 participants for more pylon chasing fun.

We had something pretty cool happen at the event Sunday. A friend of Tim Callahan, one of the competitors, made some low passes over Sandpiper in his single engine Cessna and shot some aerial views of the event site. See photo at right.

Race Officials Report

by Kris Mandt

The road racing season has started and the workers from DMVR are making their presence known.

Ralph Johnson was once again out on the corners at the Daytona 24 Hours. And Kelley Huxtable worked at the Sebring 12 Hour ALMS and SCCA Pro weekend.

Ron and Monica Shaw worked F&C (Flagging & Communications) at Gateway for the Double School / Regional March 12 & 13.

Then it was on to Heartland Park for the Double Regional / PDE, April 2 & 3. Working F&C were: Ron and Monica Shaw, Dick and Diane Struve, Will and Kelley Huxtable, Karl Thacker, Chris Monahan, Alan Warner, Neava Ford, Don Kennedy, Wendy Mehl, Wayne Ward and myself. Nancy Mandt was once again working as the Chief Starter; Ken Patterson, Anne Wenzel, Jack Kish

and Duane Rost as Stewards; and Kim Rost, Mary Patterson, Candy and Jan Gerber in T&S (Timing & Scoring).

April 9 & 10 at the Regional / National / IT Tour at Hallett, working F&C were Will and Kelley Huxtable and Neava Ford.

Dick Struve once again had to head back down to Florida for work and during that time worked F&C at a 12 Hour event at Homestead and the ALMS weekend at Road Atlanta. He ended up getting some TV time at the ALMS event when he helped get a GT car out of their gravel trap without having to go full course yellow. Great job Dick, you made all the Road Runners proud with that work.

Then it was the first weekend of the year for MVRG at Mid-America Motorplex on April 23 & 24. The weekend was billed as Bloomin' and Zoomin' at MAM. After 13 straight days of rain in that area, most of us called it "Adventures in the Mud at MAM". Working F&C were: Ron and Monica Shaw, Diane Struve, Neava Ford, Chris Monahan, Wes Krause, Ralph

Johnson, Don Kennedy, Wendy Mehl, and Alan Warner. Working other specialties: Nancy Mandt – Start; Marina Kraft and Jen Igou – Race Chairs; Rick and Kathy Talbot, Russ and Linda Goodsell, and Dick Bennett – Pits and Grid; Randy and Kate Fisher, Kim Rost, and Jan and Candy Gerber – T&S; Bob Eddy, Anne Wenzel, Jack Kish, Keith Bowman, and Duane Rost – Stewards; Kelley and Will Huxtable – Registration; Les Wright, Dick Struve, and myself – Emergency Services & Course Marshall; and Diane Wright in Hospitality. An unnamed driver donated a pretty nice worker giveaway – a Thermos Fire and Ice gas grill, and Diane Wright was the lucky worker to get it.

Lastly, I can't be at every event in MIDIV and Pro races around the US. So if you have worked an event that I may not have noted, please call or email me so I can get your worker days recorded for this season.

Until later... play safe in traffic.

BoD Minutes

by Rick Talbot, DMVR Secretary

March 15, 2005, Autographs, Urbandale

March BOD meeting was called to order at 7:32pm by R.E. Jennifer Igou.

BOD Members Attending: J. Igou, Talbot, Bell, Johnson, K. Mandt, Volante, Bennett and M. Slater. Jon Payne was absent. Several other guests were in attendance. All DMVR members are welcome at any BOD meeting.

OFFICER REPORTS:

Membership – Ralph Johnson reported a total of 293 members including active, charter and dual members. Ralph has furnished a draft of the 2005 membership directory to Tony Siembieda and publication is expected in early April.

Secretary – Rick moved and Fred seconded a motion that the corrected minutes from the February BOD Meeting be approved. They were unanimously approved.

Solo - Mike Slater reported that four people attended the March 6th informal karting event at Sprockets. Mike has send out e-mails concerning the upcoming first autocross March 17th at Sandpiper Recreation area. Both a new public address

system equipment and an "easy-up" type shelter have been purchased for the Solo program. An FM transmitter has been ordered that will enable attendees to hear P/A broadcasts on their vehicle radios at future events. The March 20th Solo II event sanction has been approved and sanction approvals are pending for future events.

Asst R.E. Dick Bennett reported there will be an Annual Meeting December 10th at the Historical Society of Iowa. The gift shop will be open and tours of the museum will be available. Arrangements are pending for the caterer.

Treasurer - Fred Bell distributed the monthly financial statement. Dick moved and Mike seconded a motion that the Treasurer's report be approved. Motion passed unanimously. Any DMVR member may receive a copy of the report by contacting Fred.

Racing Competition - Dave Volante discussed upcoming racing events.

Race Officials - Kris Mandt stated that 68 people (including 13 non-members and 11 personnel from Mid-America Motorplex) attended the DMVR sponsored Crash, Fire, Rescue School held at the WDM Fire Department (on Railroad Avenue) on March 5th. It was a very successful and Kris expressed his appreciation for all those who helped him organize the event.

Kris discussed the recent Divisional Race Administrators meeting and reorganization of the Race Control specialty. Marina Kraft will become the National Administrator of Race Administration in 2006. It was also mentioned that arrangements for the initial MVRG SCCA races at MAM April 23 and 24 are underway and that race workers are needed.

OLD BUSINESS:

Dick Bennett discussed plans for the annual meeting – see Asst R.E.'s report above.

It was reported that MVRG's 2005 race contract with Mid-America Motorplex (MAM) has been executed.

NEW BUSINESS:

Jennifer reported that the Central Division of SCCA is expected to be split into two separate divisions. This change will be voted on at the upcoming May SCCA National Board of Directors meeting.

Monica Shaw requested DRIFTING articles and reminded Board members to cc: Ric Johnson, DMVR Webmaster.

Next Board meeting - Tuesday, April 19th at Autographs in Urbandale.

Meeting was adjourned at 8:15pm by R.E. Jennifer Igou.
