### Annual Drivers Meeting- NEW format in 2019

New this year we will be including a new group of drivers into our annual meeting. TT Drivers will be joining us for our meeting and the perennial chili Cook Off. We are looking at a couple of venues, and date is too to be determined. Only one thing is for sure, it will not be on Feb 17 th when the Daytona 500 runs. Looking forward to seeing both old and new faces in Feb.

*For DMVR SCCA Members,*

It's January and your car is in pieces waiting for the next winter upgrade to be completed. Never fear you have less than 2 ½ months to get you car ready and tested for the new season.... With that said we also have some events coming up that you should really fit into your plans. The 1st is the MiDiv convention Feb 8-10 at the Hilton Garden Inn convention center in Independence MO. The convention is a mix of information sessions, Town halls, board meetings and a lot of adult beverages. The awards dinner and after party Saturday night is something you should not miss. I Highly recommend the convention and encourage you to sign up on MSR and join the fun. The 2nd is the DMVR worker, Road racing and TT Drivers meeting. This year we are encouraging all DMVR and other MiDiv region TT drivers to come join us in Des Moines March 10th for information on the upcoming season and a lot of bench racing. As Usual we are having the DMVR Chili cook off with the winner to get bragging rights for the year and some nice prizes. With the above 2 events, I just consumed the better part of 2 weekends of garage time so you had better get going.

See you at the convention!!

*Regards,*

*Erich Pfselgraf*
